In his civil litigation practice, Justin Allen helps clients navigate complex commercial and intellectual property disputes.

His experience includes representing businesses in state and federal court in disputes including breach of contract claims, misappropriation of proprietary information/company property, tortious interference with contracts and opportunities, and breach of fiduciary duties. He has also represented software technology patent holders in patent infringement litigation against global corporations. Justin's work has spanned industries including financial services, technology, real estate, and manufacturing, among others.

Justin previously was a litigator at firms in Waco and Dallas, handling all aspects of civil litigation at the trial level. He has extensive experience in all phases of litigation, from pre-filing investigation to post-trial briefing.

Experience

- **Trial to verdict of patent infringement actions in the District of Delaware and Western District of Texas on behalf of software technology patent owners.**
- **Represented owner of a large-scale industrial manufacturing complex in a breach of commercial lease agreement.**
- **Secured favorable settlement of patent infringement claims involving telecommunications technology for hardware distribution company.**
- **Represented plaintiff investors in securities fraud lawsuit in California federal court.**
- **Successful defense of regional bank in appeal of arbitration verdict for the defendant over defunct real estate investment.**
- **Secured favorable settlement for homeowners in inverse condemnation case against Texas municipality.**
- **Secured favorable settlement for financing company in misappropriation of trade secrets lawsuit against competing venture started by former employee.**
