Bankruptcy 101: Bankruptcy Basics

Webinar

What does it mean for you if an important customer or supplier files for bankruptcy? This webinar will provide you with an understanding of the issues presented by a bankruptcy filing in the context of a business relationship. The topics covered are the impact of the automatic stay, filing and litigating proofs of claim, the assumption and rejection of contracts, Chapter 11 plans of reorganization, litigating avoidance actions, and the effect of a bankruptcy discharge. After this webinar, you will have exposure to the most common issues facing companies in bankruptcy and how those issues effect your business.

CLE credit is no longer available for this recording.
