Bloomberg Government Names Thompson Coburn a Top-Performing Lobbying Firm

Thompson Coburn has been recognized as a top-performing lobbying firm by Bloomberg Government. In their analysis of Lobbying Disclosure Act reports, Bloomberg Government examined all 2,105 registered lobbying firms that filed with the Senate in 2022. The report specifically highlights the 363 firms that reported consistent revenue of \$1 million or more and active lobbying activity in every quarter of the year. This acknowledgment speaks to the strength of Thompson Coburn's bipartisan Lobbying & Policy team and the trust clients' have in their influence and advocacy.
