# ED's Evolving State Authorization and Professional Licensure Requirements

### Webinar

Join Thompson Coburn and WCET leadership for a timely webinar panel exploring the evolving landscape of state authorization in higher education. This informative session will provide a brief overview of current requirements, with a particular focus on upcoming regulatory changes and their potential impact on institutions. WCET experts will delve into anticipated shifts in areas like technology-assisted courses, out-of-state student support services, and the expansion of reciprocity agreements. The webinar will also explore the potential legal and financial risks associated with non-compliance and offer proactive strategies institutions can take to navigate this changing environment. Don't miss this opportunity to gain valuable insights from WCET leaders and ensure your institution is prepared for the future of state authorization.
