Jumpstart Our Business Startups Act (JOBS Act)

Webinar

It has been almost two years since the Jumpstart Our Business Startups Act became effective in an effort to revitalize the U.S. economy and encourage investments in small businesses by easing some of the securities regulations. How has it impacted compliance efforts? Did the Act meet its intended goals? In this webinar the presenters will provide an opportunity for professionals to further review and understand the impact of various pieces of the legislation, including Rules 506(c) and 144-A, Form D changes, the “Bad Actor Rules,” crowdfunding and insurance.

CLE

The live presentation of this program was approved for 1.0 hour general CLE credit in California and Illinois, and 1.2 general CLE credit in Missouri. CLE credit is no longer available for this recording.
