# Mandatory COVID-19 Vaccines in Postsecondary Education

### Webinar

Postsecondary institutions across the country are navigating uncharted waters as they continue to deal with COVID-19. Many schools are mandating COVID-19 vaccines for students and staff, and others are considering doing the same. This webinar will provide an overview of what schools are doing with respect to these policies and recommended best practices on the student and employee side. The presenters will also discuss current guidance from various parties as well as recent legislation and court decisions regarding mandatory vaccines in an educational setting. Finally, the presenters will walk through some other things to consider as schools decide how to put these policies into practice.

### CLE

The live presentation of this webinar was approved for 1.0 hour of general CLE credit in California, Illinois, New York, and Texas and 1.2 hours of general CLE credit in Missouri. CLE credit is no longer available for this recording.
