# Postsecondary Institutions: Business Considerations

### Webinar

Postsecondary institutions have faced a number of recent challenges, including COVID-19 and a new administration in Washington, D.C. This webinar will provide an overview to the current landscape for proprietary as well as non-profit schools, and delve into aspects that are unique to the higher education space. The presenters will also discuss potential ways to improve operations as a way to preserve as many options as possible for the institution, which may include organic growth or a strategic transaction. Finally, the presenters will discuss recent trends in M&A and how it is being used as a path forward for some institutions.

### CLE

The live presentation of this webinar was approved for 1.25 hours of general CLE credit in California, Illinois, and Texas and 1.7 hours of general CLE credit in Missouri. CLE credit is no longer available for this recording.
