The Big Bang: When the Worlds of Energy Law and Bankruptcy Law Collide

Webinar

Join Energy and Bankruptcy Law professionals from Thompson Coburn LLP for a one-hour webinar as they address recent developments in the Chapter 11 bankruptcies of PG&E, First Energy and other related cases highlighting the emerging clash between federal energy law and federal bankruptcy law.

Attendees will be provided with an in-depth discussion and analysis of current developments regarding the ability of energy contract counterparties to “reject” such contracts in bankruptcy and what role, if any, the Federal Energy Regulatory Commission has in the foregoing process. The webinar will also address several, other cutting-edge issues involving the intersection of energy and bankruptcy law.

CLE

The live presentation of this webinar was approved for 1.0 hour general CLE credit in California and Illinois and 1.2 hours of general CLE credit in Missouri. CLE credit is no longer available for this recording.
