

st. louis

Thompson Coburn's St. Louis roots date back nearly a century, and we have grown to become the city's largest law firm, working in collaboration with our colleagues in offices across the country. We provide trusted legal services and business counsel to clients across the region, nation, and globe.

Located in the heart of the city, our St. Louis team brings a deep understanding of local industries and a commitment to addressing the unique needs of our clients. We offer a wide range of legal services, encompassing corporate and litigation matters, in industries that are key to the region's economic success - financial services, life sciences, telecommunications, agriculture, and health care, to name just a few.

Our commitment to the community is long-standing. We have been recognized multiple times as a top company for corporate philanthropy, and our pro bono work extends our impact on the ongoing effort to increase access to justice. We have been a partner of the United Way for more than 50 years and are proud to be one of its biggest supporters in the region.
