## ADMISSIONS

New York

## overview

Anna Bandovic focuses her practice on business finance, assisting financial institutions in secured commercial lending transactions.

Anna assists with a broad range of financing transactions - ranging from syndicated to bilateral deals, from asset-based lending to factoring. She frequently represents financial institutions in these transactions and also has experience in borrower-side deals.

Anna is fluent in Polish, adding to her ability to serve a diverse client base.

## languages

- Polish (fluent)

## in my free time

I try to spend as much time outdoors as I can - either on walks with my dog, Boomer, or playing tennis with my husband. We've been on a mission to tackle hikes across the national parks - notably, among others, we've knocked Acadia, Sleeping Bear Dunes, Yellowstone, Grand Teton and Glacier off our list. In the off-seasons, I enjoy reading and watching psychological thrillers.
