I strive to understand my clients' needs so I can effectively partner with them to drive practical yet impactful outcomes. My goal is to get the results they desire in a way that makes sense for the short and long term.

overview

Gia Twine is a corporate attorney advising clients on private equity transactions, mergers and acquisitions, corporate governance, and general business matters. She counsels individuals and privately held companies in connection with equity and asset transactions, entity formation and maintenance, LLC operating agreements, shareholders' agreements, federal and state securities law compliance, and other general corporate matters.

An experienced corporate and securities lawyer, Gia consistently provides the highest-quality legal services to clients. She is responsive, thoughtful, and thorough in her representation and strives to achieve her clients' goals in a straightforward, efficient, and practical manner. She is known as a valuable asset to the clients she serves.

Before joining Thompson Coburn, Gia practiced in the areas of corporate and securities law at full-service law firms. She began her career as a corporate associate at Sheppard Mullin Richter & Hampton LLP and worked for several years as a corporate associate at Skadden, Arps, Slate, Meagher & Flom LLP.

experience

- Represent venture debt clients in acquiring valuable equity positions in borrowers in connection with lending operations.
- Assist in forming, maintaining and winding down special purpose vehicles for venture debt investments.
- Assist in negotiating sophisticated limited liability company agreements and shareholders' agreements.
- Extensive experience advising with respect to general corporate matters.

in my free time

I love to travel - whether just driving to a nearby state or flying across the Atlantic to Europe. There is so much world out there, and exploring new places and experiencing other cultures brings me so much joy. The cherry on top is traveling with my family.

I also love dogs. In my dreams, my "second career" involves having a sprawling ranch where I take in and care for pups in need of a home.
