Missouri

overview

Rick Lawton advises companies and individuals on a variety of federal (domestic and international), state and local tax matters.

He has extensive experience in the following areas:

- Tax-exempt organizations, including creating non-profit organizations, obtaining tax-exempt status, public charity and private foundation issues, private investment and private benefit issues, excess benefit transactions and unrelated business taxable income issues
- Taxation of corporations and shareholders (especially closely held corporations), including acquisitions, mergers, liquidations, distributions, redemptions and reorganizations
- International taxation, including the taxation of foreign corporations, foreign operations and transactions, controlled foreign corporations, subpart F matters, foreign taxes, foreign tax credits, cross-border transactions, tax treaties and export incentives
- State and local taxation, including income, sales, use and property taxes
- Internal Revenue Service practice and procedure
- Federal, state and local tax controversy work, including protests, appeals, negotiations and settlements
