I represent clients in a diverse range of transactional and real estate matters, including real estate development, commercial leasing, acquisitions and sales, and financing, using practical and tailored solutions.

overview

Sarah Landgraf assists clients with a broad range of real estate-related transactions.

She handles matters related to assets including office space, multi-family complexes, retail centers, industrial and logistics facilities, hotels, medical offices, and restaurants across the United States. Clients look to Sarah for her experience in leasing, acquisition, and commercial real estate matters.

experience

- Represents a local company in the acquisition, sale, and development of multiple multi-family projects across Missouri.
- Represents a global organization comprising multiple industry groups in connection with its office, retail, and industrial leasing needs across the United States.
- Represented a medical care provider in the leasing of various locations across the United States.

in my free time

Outside of the office, you can find me taking my dog (an adorable yellow lab) to the park or trying new restaurants around town with family or friends. I also enjoy playing in a sand volleyball league with my friends when the weather is nice.
